INSTRUCTIONS FOR FILING A CLAIM

IMPORTANT:

- Use this form for all medical, pharmacy, dental, and vision services covered by Regence. If your policy utilizes a vendor for pharmacy, dental or vision services, contact the vendor for any necessary forms or instructions for filing your claim.
- If the services were rendered on a cruise ship or are related to a prescriptions purchase made outside of the United States, you may proceed using this form.
- All other service types rendered outside of the United States will need to be filed on the International Claim Form and submitted according to the instructions provided via www.bcbsglobalcore.com.
- You only need to fill out this form if your health care professional isn't filing the claim for you. Your health care professional can still file the claim for you if they are out-of-network with your policy; however, they are not required to do so.
- Payment is made directly to contracting health care professionals. We only send payment to you when the health care professional is out of network and there is evidence that you have paid in full for the services rendered.
- If services are a result of an accident or injury, complete the Accident/Injury section of the claim form. If there is another party that may be responsible to pay for these services, such as homeowner's or auto insurance, please contact an agent in our Other Party Liability department at 877-633-7877 to assist you further. You may still continue with your claim submission.
- If you have Medicare or other insurance coverage that is not already on file with Regence, or if it has changed or terminated, you will need to contact Regence to update your account to ensure your claim processes correctly and timely.
